PLEASE NOTE: For our socials, we are no longer offering meals prior to the event. Instead, we will have a 20-minute break halfway through the social for a communal shared afternoon tea/supper instead of the regular breaks. Please bring a small plate of food to share with everyone. We will have minimal fridge space, and a pie warmer, but no oven, so please don't bring food that needs cooking. We feel this is a better way to assist people to mix and chat.
