Company Policy

The Line Dancers of South Australia pride themselves in providing quality sound, music, teaching and entertainment in a non-smoking, non-threatening environment. Attention is paid to low impact and low turn alternatives for the less strenuous dancer, as well as different speeds of music to assist learning.

Qualifications / Disclaimer

All the instructors are trained in teaching techniques and attend regular workshops to maintain their skills. High quality sound equipment and cordless microphones are used to provide the best listening experience possible.

Dancers dance at their own risk however, and should only attempt actions that suit their physical limitations.

We do not encourage wearing high heel shoes and suggest bringing a pair of street shoes and a pair of sneakers and choose which is appropriate on the day, depending on humidity and floor surface.
